

HONOR ROLL OF DONORS

The generous support of our many individual, corporate and institutional donors makes possible EyeCare America's significant accomplishments. In the past fiscal year we raised nearly \$2.3 million toward our programs and activities, including nearly \$900,000 toward the Academy's educational mission.

The Honor Roll that follows acknowledges contributions made between April 1, 2001 and March 31, 2002. We extend our sincerest gratitude for every act of generosity represented on the pages that follow.

We have made every effort to provide a complete and accurate listing of donors and gifts. Please accept our sincere apologies if we have made a mistake or omission. Should you notice incorrect information, please contact us and we will gladly correct our records.

PARTNERS FOR SIGHT

P

artners for Sight are individuals who believe in the mission of EyeCare America and have demonstrated their support with a gift of \$1,000 or more in a single fiscal year. Through their generosity, these individuals help sustain and grow the public service and education programs of EyeCare America.

A Steering Committee launched Partners for Sight in 2000. Each member of the committee made a personal contribution of at least \$1,000 and has asked their peers to make similar gifts. We are grateful

to the Steering Committee for its leadership and commitment and to all the members of Partners for Sight whose support helps make our programs possible.

VISIONARIES SOCIETY

We are pleased to announce the Visionaries Society, a new program recognizing those extraordinary donors who remember EyeCare America (formerly The Foundation of the American Academy of Ophthalmology) through a bequest or planned gift. While the Academy Foundation's name has changed to EyeCare America, its mission remains the same. Estate and planned gifts to EyeCare America support the same quality of care, professional education and valuable public service programs that have long been a source of pride for the Academy and its Foundation.

We gratefully acknowledge the following individuals and estates for naming EyeCare America as a beneficiary in a bequest or planned gift.
